

**CAVALIADA Poznań** is an equestrian event combining three areas:  
**SPORTS, SHOWS and FAIRS.**

**CAVALIADA** is an international show jumping competition, a national competition in eventing, driving and dressage.

Every year **CAVALIADA** is a meeting place not only for world-class riders, but also for the entire equestrian industry, combining the environment and many competitions in one place and time. It is definitely a place where no one from the equestrian world should miss.
